Just wanted to let folks know where we are: Mick and I spoke to Shawn a little while ago - he is focusing on the document "Dimock - Plan of Action" and the draft message to residents below in Mick's e-mail - and will be sending to HQ revised versions.

We will be working on modifying the fact sheet and Outreach strategy tomorrow. - any comments, please provide to Helen Duteau

In addition we need to work on the script for folks who are going out to meet with the residents and the information needed on the wells... below is the earlier messaging I sent out :

and a draft well survey:

- please get any comments on these documents as well asap

Ex. 5 - Deliberative

Let me know if you have any questions

The attached is a draft message to residents for release in conjunction with contacts tomorrow to PADEP and Cabot. This would also serve as the media statement.

Attached are initial drafts of the roll-out plan and fact sheet for residents in addition a plan of action. These still need some work, but they are a good starting point.
